Our Journey

ALS Battle of Minds was introduced in 2025 as the quiz domain of the Aridian Literary Society with the vision of developing a strong culture of learning, and intellectual engagement.

Since its inception, ALS Battle of Minds has represented the institute at various prestigious competitions

In 2025, the team stood victorious at Rawalpindi Women University, secured Runner-Up standing at the HITEC University Quiz Competition, NUST Quiz Olympiad, and finished among the Top 10 at Government College University Lahore (GCUL).

In 2026, the domain was reintroduced, with a renewed vision and a stronger organizational structure. From an initial individual-led initiative, Battle of Minds has now evolved into a team that works together to organize, develop, and promote quiz-related activities.

The year 2026 has already brought further achievements, including a semi-final finish at the CMH Lahore Quiz Competition, a recently achieved runner-up position in the quiz competition organized under the umbrella of Al Khidmat Foundation, the participation in various online quiz competitions, and most significantly, the ALS Battle of Minds is now organizing the first Twin City Quiz Competition in the history of the Arid Agriculture University

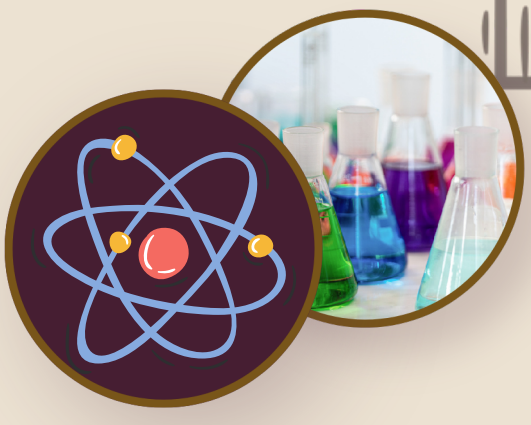

Battle of Minds continues with one simple belief:

"Knowledge grows when it is challenged, shared, and celebrated"
